History of Dance

Reservation Information and Order Form

Cost: \$1000.00

The History of Dance is a performance teaching the evolution of dance. We start by learning about character and folk dancing that leads to a Mazurka dance. Then we talk about how this lead to creation of ballet and ballet pieces are performed. The audience will then see how modern evolved. We then show the difference between ballet and jazz which leads to a finally piece that integrates jazz and hip hop.

The performance is affordable and convenient. For this price we will come to your school, setup in your gymnasium or auditorium with our dance floor and sound system, bring our professional dance company to perform right in your space. We will come on a day that is convenient to your school schedule. The performance is entertaining and educational.
